A snack or a square meal late at night is perfectly healthful if you are hungry—provided you eat it properly and have earned it by active work or play. On the other hand people who do no honest work and get little exercise should take no food after their regular evening meal.

Instead of three meals, many persons get along better on four or five lighter meals daily, especially persons with Yankee stomach. (Send stamped self addressed envelope for pamphlet on Yankee stomach.)

Good digestion is largely dependent upon proper eating. After all there is only one part of the digestive process over which one has any actual control, and that is in the mouth.

Few of you poor geeks with Yankee stomach realize it, but salivary digestion goes on while one masticates food and continues for nearly an hour after the food has reached the stomach, untouched by the acid gastric juice.

By "eating properly" I mean of course good mastication. You

WHAT TO HAVE FOR DINNER.

PART I.

FAMILY DINNERS.

MENU NO. I.

After much meditation and experience, I have divined that it takes as much sense and refinement and talent to cook a dinner, wash and wipe a dish, make a bed and dust a room, as goes to the writing of a novel, or shining in high society.—ROSE TERRY COOKE.

TOMATO SOUP.

CROÛTONS.

RIB ROAST OF BEEF,

BROWN GRAVY.

ROASTED POTATOES.

DRIED LIMA BEANS.

MACEDOINE SALAD.

APPLE CHARLOTTE.

What to Have for Dinner.

TOMATO SOUP.

1 can tomatoes	2 slices onion
2 cups white stock or water	1 teaspoon sugar
10 peppercorns	1 teaspoon salt
$\frac{1}{4}$ bay leaf	$\frac{1}{8}$ teaspoon soda
3 cloves	3 tablespoons butter
2 tablespoons flour	

Cook first six ingredients fifteen minutes, force through a strainer and add sugar, salt and soda. Melt butter, add flour and cook one minute; then add one-third the hot soup, and when well thickened and smooth, add remaining soup. Serve with Croûtons.

CROÛTONS.

Cut stale bread in one-third inch slices, remove crusts, and cut slices in one-third inch cubes. Put in dripping pan and bake until delicately browned, stirring frequently that cubes may brown evenly.

RIB ROAST OF BEEF.

Wipe a rib roast, place on rack in dripping pan, sprinkle with salt and dredge meat and bottom of pan with flour. Place in a hot oven, and when slightly browned, reduce heat and baste with fat in pan, continuing the basting every fifteen minutes during the cooking. A five-pound rib roast, when cooked rare, requires one hour and five minutes, while a ten-pound roast requires one and one-half hours.

BROWN GRAVY.

Remove fat from pan, leaving three tablespoons. Add three tablespoons flour and stir until well browned.

Pour on, gradually, while stirring constantly, one and one-half cups boiling water. Bring to boiling point, season with salt and pepper, then strain.

ROAST POTATOES.

Wash and pare potatoes, and parboil twelve minutes in boiling, salted water. Drain and place on rack in pan, where meat is roasting, and bake until soft. Baste with fat in pan, when basting meat.

DRIED LIMA BEANS.

1½ cups dried Lima beans	1 tablespoon butter
¾ cup cream	Salt
	Pepper

Soak beans over-night, in cold water. Drain, add cold water to cover and bring slowly to boiling point. Let simmer until tender, drain, add cream, butter, salt and pepper.

MACEDOINE SALAD.

1 cup, each, cold cooked carrots and turnips, cut in strips
1 cup cold cooked potatoes, cut in balls
1 cup cold cooked string beans
2 tablespoons parsley, finely chopped

Marinate the vegetables separately with French Dressing. Arrange in sections on a dish, having the base of shredded lettuce, garnish with lettuce and sprinkle chopped parsley over all.

To Shred Lettuce.

Remove leaves from stalk, wash, drain, and cut in narrow strips, using scissors.

FRENCH DRESSING.

$\frac{1}{4}$ teaspoon salt	3 drops onion juice
$\frac{1}{8}$ teaspoon pepper	4 tablespoons olive oil
2 tablespoons vinegar	

Mix ingredients in order given and stir until well blended.

APPLE CHARLOTTE.

$1\frac{1}{2}$ cups apple sauce	Butter
4 slices stale bread	$\frac{1}{3}$ cup sugar

Put apple sauce in buttered, shallow, baking dish. Remove crusts from bread, butter generously, cut in triangles and arrange on top of sauce as closely as possible. Sprinkle with sugar, and bake in a moderate oven until bread is browned. Serve with thin cream.

MENU NO. II.

"The art of cooking, when not allied with a degenerate taste or with gluttony, is one of the criteria of a people's civilization."

CORN MOCK BISQUE.

ROAST CHICKEN WITH BREAD STUFFING,

GIBLET GRAVY.

BOILED RICE.

SAUTÉD EGG PLANT.

STUFFED GREEN PEPPERS.

PRUNE PUDDING.

CUSTARD SAUCE.

CAFÉ NOIR.

CORN MOCK BISQUE SOUP.

1 can corn	$\frac{1}{2}$ can tomatoes
1 quart milk	$\frac{1}{4}$ teaspoon soda
1 slice onion	$\frac{1}{3}$ cup butter
3 tablespoons flour	2 teaspoons salt
$\frac{1}{4}$ cup cold water	$\frac{1}{8}$ teaspoon pepper
	$\frac{1}{8}$ teaspoon paprika

Scald milk with corn and onion. Mix flour with cold water to form a smooth paste, and add to scalded milk; then cook twenty minutes, stirring constantly at first, and rub through a sieve. Cook tomatoes ten minutes, add soda, and rub through a sieve. Combine mixtures and strain into tureen in which is butter in small pieces, and seasonings.

ROAST CHICKEN.

Dress, clean, stuff and truss a four-pound chicken. Rub entire surface with salt and spread breast and legs with soft butter, using four tablespoons. Place on back on rack in dripping pan and dredge bird and bottom of pan generously with flour.

Place in a hot oven and when flour is well browned, reduce heat and baste. Turn, having breast side down, and baste every ten minutes during the remainder of the cooking, using one-fourth cup butter, melted in three-fourths cup boiling water, adding more water, if necessary, to prevent burning. A four-pound chicken requires from one and one-half to one and three-fourths hours. If a chicken is roasted breast down, the breast meat is more juicy and of finer flavor than it otherwise would be.

STUFFING.

1½ cups soft bread crumbs	Poultry seasoning
½ cup boiling water	Salt
½ cup butter	Pepper

Melt butter in water and add to bread crumbs, then add seasonings to taste. If stuffing is to be served cold add one beaten egg, which makes it easier to slice.

GIBLET GRAVY.

Wash heart, liver, gizzard, neck and tips of wings of chicken. Put in sauce pan and add three cups cold water. Bring slowly to boiling point and let simmer until meat is tender. Remove heart, liver and gizzard, and chop finely. Pour off liquid in pan in which chicken has been roasted. From liquid skim off three tablespoons fat; return to roasting pan and brown with three tablespoons flour. Pour on gradually, while stirring constantly, one and one-half cups stock in which giblets (heart, liver and gizzard) were cooked. Season with salt and pepper, strain, and add chopped giblets.

BOILED RICE.

Wash and pick over one cup rice. Put four quarts water in a kettle with two tablespoons salt and bring to boiling point. Add rice, a little at a time, so as not to check boiling of water. Boil twenty-five minutes, or until soft. Drain in coarse strainer and pour over one quart hot water. Place strainer over a kettle containing a little hot water, place on back of range, and let steam until each kernel is dry.

SAUTÉD EGG PLANT.

Pare an egg plant, cut in one-fourth inch slices, and sprinkle with salt. Pile slices and put a weight on top, allowing it to remain one-half hour, thus expressing juice. Dip each slice in flour, and sauté in butter until crisp and brown.

STUFFED GREEN PEPPERS.

6 mushrooms finely chopped	6 green peppers
1 cup raw veal, finely chopped	2 tablespoons butter
$\frac{3}{4}$ cup soft bread crumbs	$\frac{1}{2}$ onion finely chopped
Salt	2 tomatoes, chopped

Cook peppers in boiling water three minutes. Cut a slice from stem end of each pepper, and remove seeds. Cook onion and mushrooms in butter five minutes. Add veal and tomatoes and cook five minutes. Season highly with salt and fill pepper cases with mixture. Put in a buttered baking pan, and bake thirty minutes in a hot oven, adding enough white stock to prevent peppers from burning.

PRUNE PUDDING.

$\frac{3}{4}$ lb. prunes	$\frac{1}{2}$ cup sugar
Whites 4 eggs	

Wash and pick over prunes. Put in a sauce pan, cover with cold water, and soak two hours. Cook in same water until soft, when water should be nearly evaporated. Remove stones and cut prunes in small pieces; then sprinkle with the sugar. Beat whites of eggs until stiff, and add prunes, gradually. Pour into a slightly

buttered pudding dish, and bake in a moderate oven twenty-five minutes. Chill and serve with Custard Sauce or whipped cream, sweetened and flavored.

CUSTARD SAUCE.

1½ cups scalded milk	3 tablespoons sugar
Yolks 3 eggs	Few grains salt
½ teaspoon vanilla	

Beat egg yolks slightly, add sugar and salt; then add hot milk, gradually, while stirring constantly. Cook in double boiler until mixture thickens, stirring constantly at first and afterwards occasionally. Strain, chill and flavor.

CAFÉ NOIR (BOILED).

1 cup ground coffee	½ egg
½ cup cold water	3 cups boiling water

Wash an egg and break shell and all into a cup and beat slightly. Mix coffee with one-half the egg and one-half the cold water. Turn into a granite ware coffee pot, (which has been previously scalded with boiling water,) add boiling water, stuff spout of coffee pot with soft paper, place pot on front of range, and let boil three minutes. Add remaining cold water and let stand on back of range, where coffee will not boil, for ten minutes. Serve in after-dinner coffee cups with cut sugar.

OYSTER STEW.

1 quart oysters	1 blade mace
1 cup water	$\frac{1}{3}$ cup butter
3 cups milk	$\frac{1}{2}$ tablespoon salt
	$\frac{1}{8}$ teaspoon pepper

Clean oysters by placing in a colander and pouring over cold water. Carefully pick over oysters, reserve liquor and heat to boiling point; strain through double cheese cloth, add oysters and cook until oysters are plump and edges begin to curl. Remove oysters with skimmer and put in tureen with butter, salt and pepper. Add oyster liquor, strained a second time, and milk which has been scalded with mace, then mace removed. Serve with oyster crackers.

ROAST TURKEY.

Dress, clean, stuff and truss a turkey and rub over with salt. Place on back on rack in dripping pan and spread breast, legs and wings with one-fourth cup butter rubbed until creamy and mixed with one-fourth cup flour. Dredge bottom of pan with flour. Place in hot oven, and when surface is browned reduce heat and baste with fat in pan. Turn bird on breast to complete the roasting, and baste every fifteen minutes with one-half cup butter, dissolved in two cups boiling water; and after this is used, with fat in pan.

STUFFING.

$3\frac{1}{2}$ cups stale bread	$\frac{1}{8}$ teaspoon pepper
1 cup boiling water	2 teaspoons poultry season-
$\frac{1}{2}$ cup butter	ing
1 teaspoon salt	$\frac{1}{2}$ cup finely chopped celery

Pour boiling water over bread and let stand fifteen minutes. Put in cheese cloth, and press out all water that is possible. Add butter, seasonings and celery.

BROWN GRAVY.

Pour off liquid in pan in which turkey has been roasted. From liquid remove four tablespoons fat; return to roasting pan and brown with four tablespoons flour; pour on, gradually, while stirring constantly, two cups stock in which giblets, neck, and tips of wings have been cooked. Cook five minutes, season with salt and pepper, and strain.

CRANBERRY MOULDS.

1 quart cranberries	1 cup boiling water
	2 cups sugar

Pick over and wash cranberries. Put in stew pan, add sugar and water, bring to boiling point and let boil fifteen minutes. Rub through a sieve and turn into small cordial glasses. Chill and remove from moulds.

OAK HILL SWEET POTATOES.

Select sweet potatoes of medium size. Wash, pare and parboil, eight minutes. Drain and place in pan in which turkey is roasting; bake until soft, basting with fat in pan when basting meat. The time required for baking will be about thirty-five minutes.

TURNIPS AND CARROTS IN WHITE SAUCE.

Wash, pare and cut turnips in one-half inch cubes; there should be one and one-half cups. Wash and scrape carrots, and cut in one-half inch cubes; there should be

one cup. Cook in boiling salted water until soft. Drain and add one cup White Sauce.

WHITE SAUCE.

2½ tablespoons butter	1 cup milk
3 tablespoons flour	¼ teaspoon salt
	⅛ teaspoon pepper

Melt butter, add flour, and pour on, gradually, while stirring constantly, hot milk. Add seasonings, bring to boiling point and beat until smooth and glossy.

BOILED ONIONS.

Remove skins from ten medium-sized onions, cover with boiling water, and let boil ten minutes; drain, again cover with boiling salted water and cook until tender. Drain, add two tablespoons butter, and sprinkle with salt.

CHICKEN PIE.

Dress, clean and cut up two fowls in pieces for serving. Put in stew pan, cover with boiling water, and cook until chicken is tender, adding one teaspoon salt, and one-eighth teaspoon pepper when chicken is half cooked. Remove chicken, and strain stock. Skim off fat and reduce stock to three and one-half cups. Melt four tablespoons butter, add one-third cup flour, and pour on gradually, while stirring constantly, reduced stock. Remove larger bones from fowls and add meat to gravy, allowing it to stand several hours that chicken may absorb as much gravy as possible. Turn in large pudding dish, and cover with plain paste in which several incisions have been made that there may be an outlet for escape of steam and gases. Wet edge

of crust and put around a three-fourths inch rim, having rim come close to edge. Decorate top with paste cut in fancy shapes. Bake in hot oven forty-five minutes.

Chicken pie may be made a day in advance and reheated for serving. Many prefer a top made of puff paste, in which case it is best to bake top separately.

PLAIN PASTE.

$\frac{1}{2}$ cup lard	$1\frac{1}{2}$ cups flour
3 tablespoons butter	$\frac{1}{2}$ teaspoon salt
Cold water	

Mix and sift flour and salt and work in lard, using tips of fingers. Add cold water to form a stiff dough. Turn on a slightly floured board, knead slightly, pat and roll out, having dough twice as long as it is wide. Form butter into a pat and place on centre of lower half of dough. Fold upper half over lower half and press edges firmly together. Fold one side over enclosed butter, the other side under enclosed butter; and press edges firmly together. Turn half way round, pat, and roll out. Fold from ends towards centre, making three layers. Repeat until paste has had four turns, then fold from ends to centre and double, making four layers when paste is ready for use.

PUFF PASTE.

Wash one-half pound butter. Work one tablespoon of it into one-half pound flour, using the tips of the fingers; then add cold water to form a stiff dough. Turn on a floured board, knead slightly, cover and let stand five minutes. Pat, roll out, fold in butter, folding

first from the ends and then from the sides, cover and again let stand five minutes. Pat, roll, and fold to make three layers. Roll and fold five times for patties, pie crust, fancy desserts, etc. Seven times for vol-au-vents, allowing it to stand one minute between each rolling and folding.

MINCE MEAT.

5 cups chopped cooked beef	Juice 2 lemons

7½ cups chopped apples	1 tablespoon mace
3 cups cider	2 tablespoons cinnamon

2½ cups whole seedless raisins	1 teaspoon almond extract
1½ cups raisins, finely chopped	1 cup brandy
	Salt

Liquor in which meat was cooked

Mix ingredients in order given, and season with salt. Reduce liquor in which meat was cooked to three cups. Add to mixture, bring to boiling point and let simmer one and one-half hours.

MINCE PIE.

Line a perforated tin pie plate with plain paste and fill with mince meat. Wet edges of under crust with cold water, cover with upper crust of puff paste and press edges together. Ornament with a rim and perforate upper crust that steam may escape.

1 cup sugar	$\frac{3}{4}$ teaspoon ginger
3 eggs, slightly beaten	$\frac{3}{4}$ teaspoon salt
1 teaspoon cinnamon	$\frac{1}{4}$ teaspoon mace

1 cup heavy cream	

Line fluted patty pans with plain paste, brush paste with white of egg, sprinkle with stale bread crumbs and fill pans two-thirds full of squash mixture. Bake in quick oven at first, and then decrease heat and complete the cooking.

Squash patties, when eaten at their best, should be freshly baked and served warm.

FRUIT PUDDING.

CHRISTMAS DINNERS.

MENU NO. I.

"There never was such a goose." Bob said he didn't believe there ever was such a goose cooked. Its tenderness and flavor, size and cheapness, were the themes of universal admiration. Eked out by apple sauce and mashed potatoes, it was a sufficient dinner for the whole family. * * * *"Oh, a wonderful pudding!"* Bob Cratchit said, and calmly, too, that he regarded it as the greatest success achieved by Mrs. Cratchit since their marriage. * * * Then Bob proposed *"A Merry Christmas to us all, my dears. God bless us!"* which all the family re-echoed. *"God bless us every one,"* said Tiny Tim, the last of all.—FROM DICKENS' CHRISTMAS CAROL.

$\frac{1}{2}$ cup sugar	2 tablespoons brandy
$\frac{1}{2}$ tablespoon cinnamon	2 cups flour

Cream the butter, add eggs well beaten, and almonds finely chopped; then add remaining ingredients. Toss on a floured board, and roll to one-fourth inch in thickness. Shape with a round cutter, first dipped in flour, and bake in a slow oven until delicately browned.

SALTED PECANS.

Buy pecan nut meats by the pound. Put one-fourth cup olive oil in a small sauce pan, and when heated put in nut meats and stir constantly until they are heated and crisp. Remove with a spoon or small skimmer, to brown paper, taking up as little oil as possible, and sprinkle with salt; repeat until one-fourth pound are fried.

It may be necessary to remove some of the salt by wiping nuts with a piece of cheese cloth.

Pecan nut meats, having a dark skin, are somewhat difficult to fry, as the color does not determine when they are sufficiently cooked. There is great danger of allowing them to remain in the oil for too long a time.

CLAM AND CORN SOUP.

1 can corn	2½ tablespoons flour
2 cups water	¼ teaspoon salt
1 slice onion	Few grains pepper
2 cups clam water	Few grains cayenne
2½ tablespoons butter	1 cup cream
Popped corn	

Chop canned corn, add water and onion, bring to boiling point and let simmer twenty minutes; then rub through a sieve and add clam water. Melt butter, add flour and pour on, gradually, while stirring constantly, hot mixture. Add seasoning and, just before serving, cream. Garnish with popped corn.

To obtain clam water:

Wash thoroughly and scrub two quarts clams. Put in kettle with three-fourths cup cold water, cover tightly, and steam until shells are well opened; then strain liquor.

BREAD RINGS.

Cut stale bread in one-third inch slices. Shape with a circular cutter three inches in diameter. Remove centres with a smaller sized cutter, leaving rings, one-half inch wide. Butter slightly, place in dripping pan, and bake until delicately browned. Arrange in circular shape overlapping each other, on a plate covered with a doiley.

EGG AND PIMENTO TIMBALES.

Line well buttered timbale or Dario moulds with canned pimentos, fill with egg custard, place in pan of hot water, cover with buttered paper, and bake until

firm. Turn on circular pieces of fried bread, and serve with Bread Sauce.

EGG CUSTARD.

Beat three eggs slightly, and add three-fourths cup milk. Season with one-half teaspoon salt, one-eighth teaspoon pepper, a few grains cayenne, and a few drops onion juice; then strain. This recipe makes a sufficient quantity for six timbales.

BREAD SAUCE.

1½ cups milk	Few grains cayenne
⅓ cup fine stale bread	⅓ teaspoon salt
crumbs	3 tablespoons butter
1 onion	½ cup coarse stale bread
5 cloves	crumbs

Cook milk twenty-five minutes in double boiler with fine bread crumbs and onion stuck with cloves. Remove onion, add salt, cayenne and one-half the butter. Pour sauce around the timbales and sprinkle with the coarse crumbs browned in remaining butter.

BAKED STUFFED HADDOCK.

Clean and wipe a four-pound haddock, removing eyes, but leaving on head and tail. Rub over with salt inside and out, stuff, and sew. Cut five diagonal gashes on each side of back bone, and insert narrow strips of fat salt pork, having gashes on one side come between gashes on other side. Shape with skewer in form of letter S and hold in shape with small twine. Arrange strips of fat salt pork on fish sheet, put fish on sheet in dripping pan, and bake in a hot oven one hour,

basting with fat in pan, every eight minutes. Serve with Hollandaise Sauce. (See p. 89, under Family Dinners, Menu No. XXI.)

FISH STUFFING.

1 cup bread crumbs	$\frac{1}{8}$ teaspoon pepper
4 tablespoons melted butter	1 teaspoon parsley, finely chopped
$\frac{1}{2}$ teaspoon salt	Few drops onion juice
$\frac{1}{3}$ cup boiling water	

Mix ingredients in order given.

FRENCH FRIED POTATOES.

(See p. 88, under Family Dinners, Menu No. XXI.)

BOILED BRUSSELS SPROUTS.

Pick over, remove wilted leaves, and soak in cold water twenty minutes. Drain, and cook twenty minutes or until tender in an uncovered kettle of boiling water to which has been added one-fourth teaspoon soda. Drain and add butter and salt to taste.

APPLE AND CHESTNUT SALAD IN APPLE CUPS.

Wipe and pare apples and cut in one-half inch cubes. Boil French chestnuts and break in pieces. Mix equal parts of apple cubes and chestnuts and marinate with a French Dressing. Cut large selected bright red apples in halves, crosswise. Scoop out most of the pulp, leaving apple cups. Fill cups thus made with mixture, arrange on lettuce leaves and garnish with Mayonnaise Dressing.

DANISH CUSTARD.

$\frac{3}{4}$ cup sugar, caramelized	1 quart milk
$\frac{1}{4}$ cup sugar	$\frac{1}{2}$ teaspoon salt
6 eggs	1 teaspoon vanilla

Put two-thirds cup sugar in agate pudding dish, place on hot part of range and stir constantly until sugar is melted and a syrup of light brown color is formed; then set pan at once in larger pan of cold water to stop the cooking, and let stand about one minute, turning the pan to allow the caramel to coat sides as well as bottom. Beat eggs slightly, add plain sugar, milk, salt and vanilla and strain into pan lined with caramel. Set in pan of hot water and bake until firm, which may be determined by running a silver knife through custard. If knife comes out clean, custard is done. During the baking, do not allow the water surrounding the mould to reach the boiling point, or custard will whey. Chill, and turn on a glass serving dish.

SMOKED SALMON AND ANCHOVY CANAPÉS.

Cut stale bread in one-fourth inch slices, remove crusts and cut slices in fancy shapes—squares, rounds, or triangles—then sauté in butter. Spread with anchovies pounded in a mortar and mixed with butter. Arrange flaked smoked salmon, whites of “hard-boiled” eggs finely chopped, and yolks of eggs forced through a purée strainer in fancy forms on canapés. Garnish with pimolas or olives stuffed with anchovies.

TOMATO BISQUE SOUP.

Melt butter, add flour, and pour on gradually, while stirring constantly, hot mixture. Add to scalded milk and serve immediately. Whipped Cream used as a garnish is an improvement to this soup.

BUTTERED CROÛTONS.

Cut stale bread in one-third or one-half inch slices, and remove crusts. Spread sparingly with butter and cut in strips, one-third or one-half inch wide and cut strips in cubes. Put in pan, and bake until delicately browned.

TARTLETS OF EGGS WITH CURRY.

Separate the yolks from the whites of four "hard boiled" eggs. Cut the whites in small cubes and force the yolks through a coarse strainer. Pour on gradually, while stirring constantly, one and one-third cups scalded milk. Add whites of eggs and fill individual pastry cases with mixture, and sprinkle with yolks of eggs.

TO MAKE INDIVIDUAL PASTRY CASES.

Roll plain paste to one-fourth inch in thickness and cut in circular pieces. Fit pieces on an inverted tin gem pan, press lightly, and bake in hot oven until delicately browned.

BOILED COD.

Wipe a thick piece of cod weighing four pounds, and boil in Court Bouillon (see p. 87, under Family Dinners, Menu No. XXI.) from thirty to forty minutes. Remove to hot platter and garnish with parsley and slices of lemon.

ually, while stirring constantly, boiling water. Bring to boiling point and add seasonings and remaining butter, bit by bit.

HOT POTATO SALAD.

Wash and pare potatoes and cut into balls, using a French vegetable cutter; there should be two cups. Cook in boiling salted water, until soft, drain, pour over dressing and sprinkle with two tablespoons chopped parsley.

HOT POTATO SALAD DRESSING.

$\frac{1}{2}$ teaspoon salt	2 tablespoons Tarragon vin-
$\frac{1}{4}$ teaspoon pepper	egar

Melt butter, add flour, and when well mixed pour on gradually the scalded milk. Bring to boiling point and add seasonings and cheese. Remove from fire, and add egg yolks beaten until thick and lemon colored. Cool mixture and cut and fold in whites of eggs beaten until stiff and dry. FROZEN EGG NOG IN EGG CUPS.

Yolks 2 eggs	5 tablespoons brandy
4 tablespoons sugar	1 cup milk
$\frac{1}{4}$ teaspoon salt	Whites 2 eggs

Beat yolks of eggs until thick and lemon colored, add sugar, gradually, continuing the beating, then add salt, brandy and milk. Beat whites of eggs until stiff, add to first mixture and freeze. Serve each portion on a small plate in a case made from an egg shell, set in a case made from one-half the peel of a lemon cut on end, so as to make a firm base. Serve as the first course at dinner.

POTAGE D'AVIGNON.

1 cup celery, cut in small pieces	$2\frac{1}{2}$ cups calf's head stock
$\frac{2}{3}$ cup leek, cut in small pieces	1 cup cooked calf's head meat
4 tablespoons butter	$\frac{1}{2}$ cup cream
4 tablespoons flour	Yolks 2 eggs
$2\frac{1}{2}$ cups chicken stock	Salt
	Pepper

Cook vegetables in butter until yellow, add flour and stir until slightly browned, then add stock gradually, while stirring constantly. Add meat, cream and yolks of eggs just before serving.

BREAD STICKS.

4 tablespoons butter	1 cup scalded milk
2 tablespoons sugar	1 yeast cake, dissolved in
$\frac{3}{4}$ teaspoon salt	$\frac{1}{4}$ cup lukewarm water
	3 cups flour

Add butter, sugar and salt to scalded milk, and when

lukewarm add yeast cake dissolved in lukewarm water and flour. Mix and knead thoroughly, cover, and let rise until mixture has doubled its bulk; cut down and shape into small balls; then cover and let rise until balls are light. Shape balls into sticks ten inches long, by rolling on board where there is no flour, using the hands. Keep of uniform size and round at the ends, which may be accomplished by not allowing hand to extend over end of sticks. Place two inches apart on buttered tin sheet, cover, and again let rise. Bake twenty to twenty-five minutes in a moderate oven, if preferred crisp and dry; ten to twelve minutes in a hot oven, if liked soft inside.

BROILED TROUT.

Clean trout and wipe as dry as possible. Dip in melted butter, place in broiler and broil over a clear fire from eight to twelve minutes, according to size. Remove to hot serving dish, spread with Maître d'Hôtel Butter (see p. 19, under Family Dinners, Menu No. IV.), and garnish with watercress.

BOUCHÉES OF LAMBS' SWEETBREADS.

Cover twelve lambs' sweetbreads with salted water and let stand one hour; then let simmer in same water ten minutes. Drain and plunge into cold water; when cold, trim, add one and one-fourth cups white stock and let simmer forty-five minutes. Remove sweetbreads and cut in small cubes. Melt one and one-half tablespoons butter, add one and one-half tablespoons flour, and pour on, gradually, stock drained from sweetbreads. Bring to boiling point, add sweetbreads, and yolk of one egg, slightly beaten. Season with salt, pepper and lemon juice. Fill bouchée cases with mixture.

ROAST SPRING LAMB.

Remove caul, wipe meat, sprinkle with salt and place on rack in dripping pan, and dredge meat and bottom of pan with flour. Place in hot oven and baste every fifteen minutes after flour in pan is well browned. The time required for cooking will be from one and one-fourth to one and three-fourths hours. If the lamb is not fat, it is necessary to use one-fourth cup butter melted in three-fourths cup of boiling water for the basting. Serve with

MINT SAUCE.

$\frac{1}{3}$ cup mint leaves	$\frac{1}{4}$ cup boiling water
$\frac{1}{2}$ cup vinegar	1 tablespoon sugar

Chop mint leaves and mix with remaining ingredients. Let stand on back of range one-half hour.

BOILED NEW POTATOES.

Select potatoes of uniform size. Wash and pare, or scrape, and soak in cold water, to cover, ten minutes. Cook in boiling salted water until soft, drain, remove to vegetable dish, pour over melted butter and sprinkle with finely chopped parsley. Avoid sending to table in a covered dish, as potatoes reabsorb moisture, and become soggy.

BOILED GREEN PEAS.

Remove peas from pods, pick over and wash in cold water, discarding undeveloped ones. Cover with boiling water, and cook until soft, adding salt the last fifteen minutes of cooking. There should be but little water to drain from peas when they are cooked. Drain, and season with butter and salt.

EGG PLANT AU GRATIN.

Remove the inside from an egg plant, leaving a shell or case. Cut in one-third inch cubes, and cook in a small quantity of boiling water until soft; then drain. Cook two tablespoons butter with one small onion finely chopped until yellow; add egg plant, and one tablespoon finely chopped parsley. Season with salt and pepper, re-fill egg plant shell, cover with buttered crumbs, and bake until crumbs are brown.

DRESSED LETTUCE.

(See p. 14, under Family Dinners, Menu No. III.)

QUAIL, EPICUREAN STYLE.

Singe and wipe quail, and with a sharp pointed knife, beginning at back of neck, make a cut through backbone the entire length of bird. Lay open the birds, and remove contents from inside. Cut out rib bones on either side of backbone, remove breastbone, then cut through tendons at joints. Sprinkle with salt and pepper and sauté in butter until well browned, turning often during the cooking. When birds are nearly done, add one cup rich, white stock and finish the cooking. Arrange on hot serving dish, thicken stock remaining in pan with one and one-half tablespoons each of butter and flour cooked together, and pour over birds. Serve with Dressed Lettuce.

ORANGE ICE CREAM,

WITH CRUSHED STRAWBERRIES.

$\frac{1}{2}$ pint heavy cream.	1 dozen oranges
$\frac{1}{2}$ pint milk	Sugar
	1 box strawberries

Mix cream and milk and add juice from oranges; then sweeten to taste. Freeze, mould, pack in salt and ice, and let stand two hours. Remove hulls from berries and cut in halves crosswise. Put in earthen bowl and mash; then sweeten to taste. Let stand on back of range until heated slightly. Unmould cream and serve with crushed berries.

CURRANT WAFERS.

 $\frac{1}{2}$ cup butter $\frac{1}{3}$ cup sugar

1 egg

 $\frac{3}{4}$ cup flour. $\frac{1}{2}$ teaspoon vanilla

Currants

Cream the butter and add sugar gradually, while continuing the beating; then add egg, well beaten, flour and vanilla. Drop on a buttered sheet in very small portions, two inches apart. Spread thinly in circular shapes, using a case knife first dipped in cold water. Put three currants on each, and bake in a slow oven until delicately browned.

TOMATO AND CUCUMBER BASKETS.

Cut thick slices from both ends of three short cucumbers and remove two pieces from each cucumber, in such a way as to leave baskets with handles; then scoop out pulp. Carefully cut pieces from three medium-sized tomatoes in such a way as to leave baskets with handles; then scoop out pulp. Marinate cucumber cut in pieces, and tomato cut in pieces, separately, with French Dressing. Fill cucumber baskets with tomato, and tomato baskets with cucumber. Arrange on lettuce leaves, alternating green and red baskets.

FRENCH DRESSING.

Mix one-half teaspoon salt, few grains paprika, four tablespoons olive oil and two tablespoons vinegar. Stir until well blended.

ORANGE CREAM SHERBET.

1½ cups sugar	1 pint heavy cream
Grated rind 2 oranges	½ cup sugar
¾ cup lemon juice	2 eggs
Few grains salt

Cream the butter, add sugar gradually, and eggs well beaten. Add the melted chocolate, bread crumbs, flour and vanilla. Spread in a shallow dripping pan and bake in a moderate oven. The cake should be about one-fourth to one-third inch in thickness when baked. Allow the cake to remain in pan until cool, then shape with a circular cutter, one inch in diameter.

Put together in pairs with White Frosting between and on top.

WHITE FROSTING.

1 cup sugar	White 1 egg
3 tablespoons water	¼ teaspoon vanilla

Put sugar and water in sauce pan and stir to prevent sugar from adhering to sauce pan ; heat to boiling point, and boil, without stirring, until syrup will thread when dropped from tip of spoon. This frosting is more successful when the syrup is washed down during cooking. To accomplish this, have a sauce pan containing cold water, dip the hands quickly from the cold water into pan containing hot syrup, then again into cold water, repeat several times, thus removing granules of sugar adhering to side of pan. Pour syrup gradually on beaten white of egg, beating mixture constantly and continuing the beating until of right consistency to spread. Add flavoring and spread on cake.
